

On Tuesday 22<sup>nd</sup> October 2018, Rolls-Royce will hold a **career opportunities event** at **Università degli Studi di Napoli “Federico II”** to inspire undergraduates and graduates to start a successful career at Rolls-Royce.

The event will take place in the **“Aula Scipione Bobbio”** of the **Scuola Politecnica e delle Scienze di Base** (Piazzale Tecchio, 80125 Napoli NA, Italy) **from 09:00am to 17:30pm**.

### What Do We Make at Rolls-Royce?

Rolls-Royce is known the world over for delivering excellence, creating high-performance, integrated power solutions for use on land, at sea and in the air and is currently looking for outstanding young talents to join its Internship and Graduate Development Programmes.

### Opportunities at Rolls-Royce

Rolls-Royce Internship and Graduate opportunities are currently available in the following areas: Engineering, Manufacturing Engineering, Commercial, Customer Management & Services, Health, Safety & Environment, Purchasing, Supply Chain Management, Operations Management, Project Management or Human Resources.

Rolls-Royce recruits on a first come first served basis, so you are strongly encouraged to apply for either the Graduate or Internship Programme ASAP and to complete the online assessments.

### The Event at UniNa

On the day of the event, three members of the Rolls-Royce University Campus Team will present the opportunities that are available for both interns and graduates, share their experiences and insights, and give answers to your questions.

A special session “Women in Rolls-Royce” will be dedicated to women only with the aim to tell more about the Rolls-Royce opportunities for women and to promote diversity and inclusion all over the business. Join this session to know more about it!

Finally, a time slot will be dedicated to 1-to-1 CV Reviews, with the aim to find outstanding candidates with the potential to join Rolls-Royce Graduate and Internship Programmes.

Note that the entire event, including the 1-to-1 CV Reviews, will be conducted in English.

### The Requirements

To apply for the graduate and internship programmes at Rolls-Royce, candidates need to meet the following requirements:

- Fluency in English. Other languages highly desirable.
- For all graduate programmes, a bachelor’s/master’s degree (or equivalent) in a relevant subject achieved by August 2019 with a minimum of 2:1 (UK grading system) **i.e. the final grade (expected or achieved) shall be at least 100/110 as per Italian grading system (change it to the relevant country grading system)**.
- For internship programmes a degree it is not required, but being a student is a must.
- Previous work experience (required for graduates and desirable for interns)
- CV written in English.

**NOTE:** Specific requirements vary by programme. To find out more visit [www.rolls-royce.com/internships](http://www.rolls-royce.com/internships) or [www.rolls-royce.com/graduates](http://www.rolls-royce.com/graduates).

### What Are You Looking For?

If you meet the above requirement, are passionate about the company and are clearly motivated to join one of the internship and graduate programmes Rolls-Royce offers, don’t miss this great opportunity!
